

## Suggested NHD Exhibit Software

Adobe Spark	
Pro	Con
Text is easily read if resized to 20X20.	All downloads are jpegs and not required PDF.
Collaborators can edit.	Each page is a separate file.
Created for educational use and free.	Collaborators cannot edit at the same time.
Pages are easily duplicated.	
Canva	
Text is easily read if resized to 20X20.	Not all features are free.
Collaborators can edit.	Created for commercial use.
Pages can be duplicated within the same file.	Must create an account.
Free and downloads as a PDF.	
Google Slides	
Participants likely familiar with the platform.	Text can be difficult to see and read.
Free and collaboration is easy.	Custom sizes may exceed the 100MB limit.
Google Drawings	
Free and collaboration is easy.	Each page is a separate file.
Power Point	
Participants likely familiar with the platform.	Text can be difficult to see and read.
Program available on most computers.	Harder to share and collaborate.
Similar to Google Slides.	
<p><b>*Photoshop and InDesign</b> can also create similar projects. Please note this option requires advanced design skills, is potentially expensive, and collaboration requires a plugin.*</p>
